POLICY

1. School profile

Cudgee Primary School was established in 1864. It is a rural primary school situated in the Moyne Shire South West Victoria, approximately 10km east of Warrnambool. We are fortunate enough to have a large grassed playground, undercover area, basketball, tennis, netball court and a kitchen garden to support us in delivering an engaging curriculum.

The enrolment trend is increasing as the population in the local area is growing.

The school provides sporting facilities for the community and holds annual events including the Fun Run, School Concert and musical showcases.

Our vision is a whole school community growing together in an engaging learning environment. Our values include: Being Respectful, Being Safe, Being responsible and Being Learners

Our attendance rate is continuously improving. We improved student outcomes in our targeted area of writing and numeracy. Literacy will be the focus for 2024. All students identified At Risk received support through the Tutor Learning Initiative. Our parent Opinion survey data also indicates parents are happy with the teaching, learning and wellbeing approach at Cudgee Primary School.

We are committed to a school wide approach to wellbeing and our student survey results indicate students are happy, feeling safe at school and enjoy learning. Part of this approach was ensuring our students have access to a varied curriculum which not only values literacy and numeracy but also values the importance of music, art, sport and physical education, Indigenous Studies and learning about the local and global environment. We ensure our student are provided with leadership opportunities. Our camps and excursions program are varied and ensures our students have as many opportunities for Extra Curricula activities as students from larger schools.

We have three full time teachers including the Principal alongside a part time Business Manager, Music Art Specialist, Indigenous Studies teacher, Librarian and Maintenance/Gardener worker. This is equivalent to FTE 3.6. At this stage we do not have staff members who are Aboriginal or Torres Strait Islanders. We did not have any overseas students enrolled in 2023 so therefore we did not provide any programs for overseas students.

We collaborate with other Network Government Schools to ensure the best outcomes for our students.

2. School values, philosophy and vision
